Horace Hertz

Audit & Attestation Services

Horace, a Partner in Squar Milner's Audit and Assurance Department, will be leading our technology industry group.

Prior to joining Squar Milner, Horace was the CFO of several technology companies, including two publicly-held companies, has structured and raised over \$250 million dollars in financing, has restructured balance sheets in preparation of public offerings and implemented Sarbanes-Oxley. Prior to that, Horace was a Partner at Corbin & Wertz where he audited over 40 publicly-held companies. Horace began his career at Deloitte & Touche where he became a Partner in less than nine years.

Horace has a Master of Arts, Mathematics from University California Irvine and a Bachelor of Arts, Mathematics from California State University, Northridge.
